

TerraCycle Has Returned!

Hello Frost Families!

TerraCycle is a program that allows us to recycle items that normally cannot be recycled. We also earn money for our school based on how much we send in. If you want to learn more about TerraCycle and other ways our school diverts our waste, click this link to watch the Diversion video that our E-Team created this year:

<https://youtu.be/3LmJnDFbXcs>

You can start bringing in your TerraCycle from home. Just send it in a bag with your child and have them drop it off inside the breakfast doors by the TerraCycle Drop off sign. Thanks for doing your part in helping take care of our planet!

Here's what you can bring in from home to TerraCycle!

All Brita filters, pitchers, dispensers, bottles, faucet systems, and packaging

ACCEPTED WASTE

- 1 Brita® dispensers
- 2 Brita® pitchers
- 3 Brita® Stream® pitchers

Recycling your drink pouches

TerraCycle® has created a free recycling program for drink pouches as well as a fundraising opportunity for participants.

You will be receiving a paper with all the things you can bring in. Please hang it on our fridge.
